

Mission Statement:

“To express and implement the collective wishes of the members and optimise their trading environment.”

Founded in 1937, the Irish Hotels Federation (IHF) is the national organisation of the hotel and guesthouse industry in Ireland. The primary functions of the Federation are to promote and defend the interests of its members.

In addition to the achievements of a satisfactory taxation and investment climate for the industry, the Federation has a positive role in developing business opportunities for members.

It is officially recognised by Government and State agencies as representing the industry. Through its participation in a wide range of bodies, the Federation provides a strong voice for hotel and guesthouse proprietors and for other associated organisations which have an interest in the successful development of this sector of Irish industry.
