EURES Italy Recruitment Campaign

Dear Member,

EURES Ireland as part of the Department of Social Protection is collaborating with EURES Italy on a recruitment campaign for the Tourism and Hospitality sector. This campaign is aimed at attracting job seekers / job changers from Italy to job opportunities in Ireland and will initially involve targeting these job-seekers with current vacancies in the sector in Ireland. Depending on the level of interest shown by Italian job-seekers to work in Ireland, there may be opportunities to further collaborate with EURES Italy on recruitment from that market in the Autumn.

Therefore, EURES Ireland is now inviting you to participate in this initial campaign by preparing your current vacancies targeting the Italian market and registering these on EURES' www.jobsireland.ie. Note these vacancies should be loaded by **Wednesday, September 7th**, and once loaded should remain on www.jobsireland.ie until at least the end of September 2022. In addition, once you have uploaded your vacancies please email Sinead Watters at sinead.watters@welfare.ie with the reference number(s) of the relevant vacancies and to confirm your interest in participating in the Italy recruitment campaign.

In preparing your vacancies for loading, you should remember to include the following where at all possible:

1. Level of English Required
2. Salary Offered
3. Is it Temp/Permanent Role
4. Hours/Shifts
5. If accommodation is provided for employees

If you have any queries, please contact Nuala McLoughlin at mcloughlin@ihf.ie.

Kind regards,

Tim Fenn
Chief Executive
