Revaluation of your rating authority area

EXPLANATORY LETTER

Dear Occupier,

As you are aware, the Valuation Office has been conducting a revaluation of all commercial and industrial properties in your area as part of its ongoing programme to revalue all such properties in the State. To this end, I now enclose your **Proposed Valuation Certificate**. This Certificate is an important document and it is in your interest to review it immediately.

The enclosed Proposed Valuation Certificate states the **Proposed Valuation** known as Net Annual Value in relation to your property which I propose to enter on the new valuation list for your County. This list will be published in October 2018, and will be used to calculate your rates liabilities for 2019 and subsequent years.

More information on Revaluation is available at **www.valoff.ie**

Occupier Assisted Valuation

The revaluation of Laois County Council rating authority area began on 26th February 2018 using Part 5A of the Valuation Acts 2001-2015, which allows a revaluation to be conducted using elements of self assessment known as "Occupier Assisted Valuation".

You received a Notice relating to your property on or about the 26th February 2018. On receipt of this Notice you were required to make a submission to the Valuation Office regarding the value of your property before the 16th April 2018.

Our records indicate that you have not submitted a valuation.

Your valuation has now been determined at <<PVCValuation>> in accordance with the Valuation Acts 2001-2015.
