Terence Fahey  
Valuation Manager

The basis of calculating your Proposed Valuation is on the reverse of this document. Please review it carefully in conjunction with the enclosed explanatory letter.

#### Amount of Rates:

Your rates liability for 2019 and subsequent years will be calculated by **multiplying** the **Proposed Valuation** of the property in the table above, by the **"Annual Rate on Valuation" (ARV)** which is set by the **local authority**.

You will find an indicative ARV for Laois County Council on [www.laois.ie](http://www.laois.ie) or by calling 057 8664000. You can use this figure to estimate your indicative rates liability for 2019.

## How was my Proposed Valuation calculated?

The table below summarises the elements (different floor levels, floor uses and floor areas) that we have included in calculating your Proposed Valuation. Please review this carefully.

| Floor Level | Floor Use | Floor Area (m2)                  | NAV € per m2 | Total NAV €     |
|-------------|-----------|----------------------------------|--------------|-----------------|
|             | EST NAV   | 1.00                             | 70000.00     | 70000.00        |
|             |           |                                  |              |                 |
|             |           |                                  |              |                 |
|             |           |                                  |              |                 |
|             |           | <b>Total Valuation (Rounded)</b> |              | <b>€ 70,000</b> |

If any of the elements detailed in the table above are incorrect, or you are **dissatisfied** with the Valuation (NAV € m<sup>2</sup>), you may make representations to the Valuation Manager within 40 days from the date of issue of this Notice.

**The Proposed Valuation above is not your Rates Liability**
