

The most exclusive wedding photography app

What is PictionUs?

Photo sharing made easy!

Your guestlist, your family, your friends.
Collaborate your entire wedding party into one digital photo album.

Sit back, relax and enjoy the memories.

How does it work?

In just 3 steps everyone will have access to lifelong memories:

1

Download the PictionUs app & purchase the Wedding Package with your 40% discount code.

2

Your client's unique QR code will be emailed to you on a printable table card format.

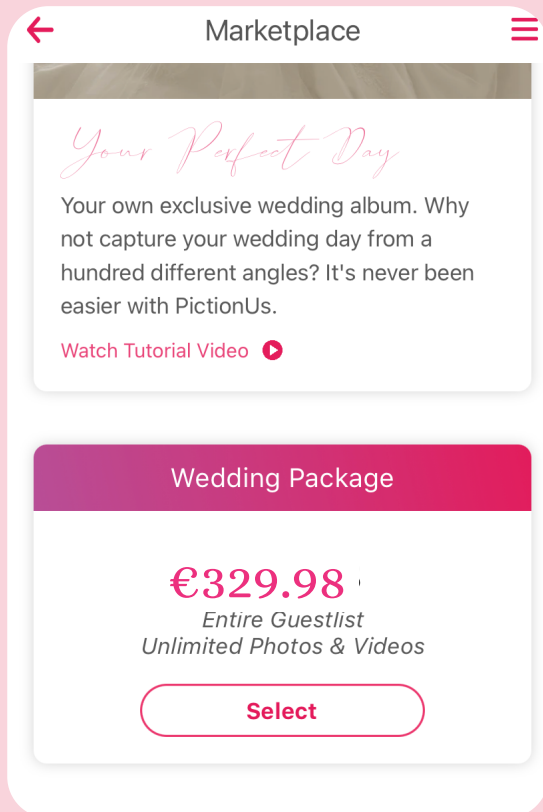

3

Print table cards & distribute them on wedding tables so guests can scan and become members of the wedding album.

Why partner with PictionUs?

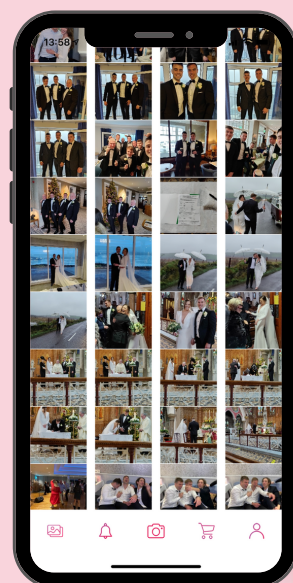

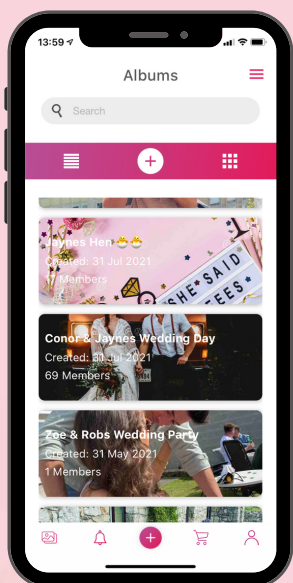

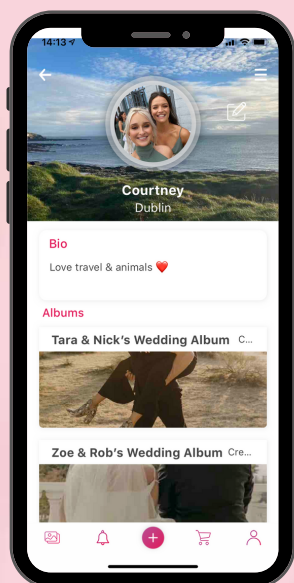

We're offering suppliers who promote our services to their clients a 40% discount on the retail sale price of digital wedding albums.
