# Reliance Laundry Equipment Rental

>> 100% Irish owned, we are a guaranteed Irish company <<

Rental of commercial laundry equipment is becoming more popular than ever. Clients feedback says it frees up capital and gives them peace of mind as they have no unexpected bills.

Reliance Laundry Equipment Rental offer **fixed monthly payment** plans, including machine installation, servicing, and maintenance. This allows businesses to plan out their monthly financial commitments, as well as spreading the VAT liability.

There is no capital outlay and **no deposit** or lump sum to pay upfront, making this as easy on your business's finances as possible.

For as long as you pay for the machine rental, **we will guarantee** it. Whether that means replacement parts or replacement machines.

**No long-term contract.** No need to change the equipment. No hassle.

## CONTACT US:

We only rent the best equipment the market has to offer. That way YOU get the savings in terms of electricity, water, and detergent

## Benefits of Renting Laundry Equipment:

- Reliance Laundry Equipment Rental take the residual and operating risk.
- Reliance Laundry Equipment Rental takes the risk of falling depreciation, resale value, and maintenance of the equipment.
- 'Off-balance sheet' financing: Allows capital to be freed up from non-income earning assets. Improved balance sheet ratios (ROE).
- Equipment costs move from variable to fixed: Ease of budgeting and forecasting. Matches finance expenses to asset economic life and usage.
- A complete service package: Rental and maintenance with one monthly invoice covering all aspects of equipment expenditure.
- 100% financing: No equity or initial deposit is normally required
- Cost-effectiveness and control of operating costs: Customers can avail of Reliance Laundry Equipment's purchasing power and economies of scale.
