## Health Cover Designed for Real Life – Not Just Hospitals

Unlimited GP, Nursing & Preventive Care – for a healthier, happier workforce

Corporate Care by Webdoctor gives your employees everyday medical cover with unlimited GP access, 24/7 nursing support, home testing, and prescriptions – all included. Unlike PMI, it focuses on everyday healthcare, not hospital stays.

### WHY CORPORATE CARE MAKES SENSE

#### Everyday Healthcare, Covered

Most people rarely use hospital cover. What they do use is GP visits, prescriptions, and wellness checks. Corporate Care covers those essentials – keeping your team healthy and engaged.

#### Unlimited GP Consultations – No Caps

Unlimited video consultations with Irish-registered GPs (English, Portuguese, and Spanish). No per visit fees.

#### Low Predictable Costs

Subscription-based model with no hidden costs, premium spikes, or complex claims.

#### 24/7 Nurse Line

Access qualified nurses anytime for advice and triage.

### WHAT'S INCLUDED

GP Video Consultations

24/7 Nurse Advice Line

Home Testing Kits

Prescription Services

Flu & Health Checks

Wellness Programs

### BENEFITS TO EMPLOYERS

- Lower absenteeism and faster recovery times.
- Improved retention and engagement.
- Tax-efficient – no BIK, VAT, PAYE, or PRSI complexity.
- Transparent, predictable spending.

### WEBDOCTOR CORPORATE CARE VS. TRADITIONAL PMI

	Webdoctor Corporate Care	Traditional PMI
<b>Focus</b>	Everyday medical needs & prevention	Hospital stays & acute care
<b>Usage</b>	Frequent; GP visits, prescriptions, tests	Infrequent; major illness or injury
<b>Cost</b>	Predictable subscription; no hidden fees	High premiums; potential for spikes & excesses
<b>Access</b>	Same-day GP, 24/7 nurse line, remote services	GP access often extra; pre-authorisation for specialists
<b>Preventive Care</b>	Included: home test kits discount, wellness programs	Limited or not included
