Testimonials

The results were amazing!

We had an issue with old semi commercial equipment in our laundry and in 2021 we contacted Ultan in Laundrysystems.ie seeking guidance and input on potentially supplying new commercial equipment. We found Laundrysystems.ie to be honest and clear in the recommendations they gave. They installed the new machine within 24 hours. The results were amazing!

It previously took over an hour and now we are washing a much bigger load in just over 30 minutes. We were so impressed with the service and attention to detail that we have installed an additional 17KG washer, a dryer to match and a Dryer Ironer. Ultan and his team are a pleasure to work with and nothing was an issue in getting our laundry finish to the high standards that we require. The time it takes to process the laundry has been cut by over 50% and the saving in staff cost practically pays for the equipment. The on-going service and repair are fantastic, we never have to wait once we call for service and they always arrive with the spare parts that are needed to do the job. Keep up the good work.

Whitewave Cleaners

They are simply the best

We at Whitewave Cleaners Belturbet Co Cavan, have been dealing with laundrysystems.ie since 1993 when we started our business we found them to be very professional and efficient in every way. The entire staff were so helpful, we have no hesitation recommending laundrysystems.ie. Their service and their after sales are very fast and efficient. They are simply the best.

- **Gerry and Bernie Brady.**

We are lucky to have a company of this calibre working with us.

We have never looked back since Laundry Systems.ie took over the maintenance and servicing of our laundry equipment. Before this, we had terrible trouble and a lot of downtime, which impacted our team and service. Their knowledge and service are out of this world. When a problem arises, they respond extremely quickly and resolve it. They have access to parts, and their team are excellent. Ultan has gone out of his way to help us troubleshoot and resolve issues unrelated to the machines. We now purchase laundry equipment from them and could not recommend them enough. We are lucky to have a company of this calibre working with us to help us deliver vital customer service to our hotel guests. Tina Darrer,

- **Dooley's Hotel**

Benefits of working with [Laundrysystems.ie](https://www.laundrysystems.ie)

- Laundrysystems.ie appraise your current operation, listening to your issues.
- Produce a detailed review of all current costs and give accurate projections on savings.
- We will work with the current equipment if at all possible.
- We are honest and clear in the recommendations we give.
- We have long term relationships with both our suppliers and customers.
