The CIA don't just
deliver the box

MERRYCHEF®

The Catering Innovation Agency are “Master” Merrychef dealers in Ireland. We provide advice on the most appropriate Merrychef for your business and organise delivery and training for your staff.

We host regular Merrychef masterclasses, to ensure the oven’s use is optimised and explore new menu options for your business.

The CIA provide a warranty backed by our own, Merrychef trained engineers, and a lifetime relationship is guaranteed.

Lamber

Lamber are constantly designing innovative technological systems to ensure that Lamber ware washers deliver a powerful and effective washing system that guarantee sparkling results.

- The Catering Innovation Agency have partnered with Lamber to provide excellent results in ware washing.
- Lamber has more than 60 years of experience in the Industrial Washing sector for the catering industry.
- Lamber are a small Italian family company who make ware washing equipment only.
- Lamber offers washing solutions that can be adapted to all customers' requirements.

Zanussi

The Zanussi Professional logo is displayed on a yellow background. The word "ZANUSSI" is in large, bold, black capital letters. Below it, the word "PROFESSIONAL" is in a smaller, bold, black capital letters. A horizontal bar consisting of a green line on the left and a red line on the right is positioned below the text.

ZANUSSI
PROFESSIONAL

The Zanussi story dates back to Pordenone, Italy, in 1916, when Antonio Zanussi, a young oven repair worker, opened Officina Fumisteria Antonio Zanussi. The Zanussi range of commercial catering equipment is respected in every sector of the foodservice market.

The C.IA. relaunched the Zanussi brand in Ireland in 2016 bringing a complete range of quality Italian cooking equipment & refrigeration. Zanussi wins both on design criteria and energy efficiency. All Zanussi ranges are robust and long lasting.

CIA for Pubs

O'Gorman's, Portlaoise

CIA Team with our customers in Paris Texas, Kilkenny.

Spitalfields, Dublin

The Catering Innovation Agency has a proven track record in bringing family pubs in to the 21st century.

Kitchen working environments are improved by removing heat to make for a much more comfortable working environment.

Energy efficiency and ergonomics are the key to success for Irish Pub kitchens. From the renowned lifeboat Inn in Courtmacsherry to Kilkenny's Paris Texas and Langton's, the CIA have brought both innovation and trust to these exceptional pubs, in addition to, The Imperial in Cavan and the Ferryman and Spitalfields in Dublin.

Portlaoise Publican, Donal O'Gorman has built his food business with the C.I.A . as a reliable and innovative partner.

We design; we create a blueprint for your success.

Winterhalter

winterhalter®

Catering Innovation Agency have partnered with Winterhalter in order to provide our customers with the highest standards of cleanliness and hygiene in commercial ware washers for a wide range of industries. Winterhalter Warewashers are premium quality and completely reliable.

The catering industry, Bakeries and butcher's shops. Every industry has its own requirements when it comes to washing, but they all have one thing in common: they want first-class cleaning and maximum hygiene. Winterhalter meets this requirement: with a warewashing system that is designed precisely for the specific industry.
