Wine Cooler

Product Features

- Frameless glass door
- Single temperature zone
- Energy efficient cooling system
- Low noise level
- LED interior light with switch
- Reversible door
- Curved stainless-steel handle
- Wooden shelves
- High/low temperature alarm
- Presentation shelves available as option

Black wine cooler with glass door for an exclusive display

Probably the best way to store and display large quantities of wine bottles in style. Temperature can be adjusted to suit either white or red wines allowing you to keep them at a perfect ready to serve temperature. Slide out wooden shelves allow easy selection of wine and intelligent design of the shelf maximises storage space. Low level LED give mood lighting inside the cabinet. Dual temperature unit is also available

Wooden drawing shelves

Curved handle
